

Document List – Public

The following is a list of available documents published by Textile Exchange. The *Availability* types are defined as follows:

Available – Documents that are available through public links on the [Textile Exchange website](#). The associated URL can be accessed by clicking on the *Title* of the document.

NOTE: Clicking on the Title of a document with an Availability of “Available” will open the ‘landing page’ (i.e. the document’s entry page) for the document within our [Knowledge Center](#).

Available on Request – Documents that are available upon request are not available through a public link. Please contact assurance@textileexchange.org to request a copy of these documents, or of previously retired versions of the documents listed.

NOTE: Clicking on the *Title* of a document with an *Availability* of “Available on Request” will open a new email composition window to contact assurance@textileexchange.org.
